SCM PRESS, United Kingdom, 2009. Paperback. Book Condition: New. New edition. 203 x 166 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book, Phyllis Trible examines four Old Testament narratives of suffering in ancient Israel: Hagar, Tamar, an unnamed concubine and the daughter of Jephthah. These stories are for Trible the substance of life , which may inspire new beginnings and by interpreting these stories of outrage and suffering on behalf of their female victims, the author recalls a past that is all to embodied in the present, and prays that these terrors shall not come to pass again. Texts of Terror is perhaps Trible s most readable book, that brings biblical scholarship within the grasp of the non-specialist. These sad stories about women in the Old Testament prompt much refelction on contemporary misuse of the Bible, and therefore have considerable relevance today.
