

## Anatomy of Writing for Publication for Nurses (Paperback)

---

By Cynthia Saver

SIGMA Theta Tau International, Center for Nursing Press, United States, 2010. Paperback. Book Condition: New. 229 x 188 mm. Language: English . Brand New Book. Anatomy of Writing for Publication for Nurses is hailed as the most comprehensive, up-to-date book for nurse writers today. Anyone who has attempted to write something, whether it be as simple as a thank you note or as complex as a hundred page term paper knows that writing is not an innate gift. It is something that is studied and learned, much like human anatomy. It is not surprising at all that nurses often find it a challenge to write. Margaret McClure conveys this best in Words of Wisdom, One of nursing s biggest handicaps is that we are in a field where your basic practice requires that you never write in complete sentences. In Anatomy of Writing for Publication for Nurses Cynthia Saver, along with 15 of nursing s top writing experts, takes you through the journey of moving past this barrier on to becoming an author. Divided into two parts, this book covers everything from generating an idea to the different types of writing, including academic journals, books, blogs and research papers. Do...

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*
