Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Vacation Thoughts: A Collection of Poems The poems, if so they may be called, which constitute this little volume, were written for the most part during the past summer vacation. While they are most of them the expression of original feeling in the author, some are subjects quite remote from any inspiration, in many cases written mechanically and principally for discipline, some were written as school exercises, and a few are imitative of well known poems but inferior to those which suggested them. They are the rude beginnings, and are by no means a satisfaction. There has ever been an ideal clearly before the author's mind, but it has been in vain that he has striven to reach it or even nearly approach it when so limited by incompleteness and immaturity, and it is only from pressure of circumstances and present need that he is induced to venture the publication, hoping that thus he may be able to derive means for further development.
