Men of Iron and Men of Clay is a futuristic book. Using Sir Isaac Newton timeline for Bible prophecy, he predicted Israel would become a nation in 1944 he was only four years off, he also predicts the end times will come around the year 2060. Following a biblical order for the last days using Scriptures throughout the Bible, I have focused my book on the Scriptures, taken from the King James Version of the Bible. The Book of Genesis chapter 6 verse 2 indicate that we were visited in the past by men of another world. And the Book of Daniel chapter 2 verse 43 indicate that we will be visited by them again. In the Bible there are all sorts of mystery about Angels, Devils and Demons, I try to answer these mysteries in my story through the characters themselves. Even though the book is science fiction I use technology that we have already. I explained how gravity can be attained for long spaceflight and not using centrifugal force. I explain how a conventional power plant or nuclear can be used in outer space, spaceships traveling millions of miles an hour. I m sure the readers of this book will find this most interesting. Most of this is explained in a tour of the ship the USS starship Conquest. Here is some excerpt from the book, starting with mystical creatures. Mystical Angelicans; Mulkyber, though a great warrior in the last intergalactic clash, has enjoyed the peace and doesn't mind saying so. I don't like this war, nor do I like attacking Earth. I remember the last time the great one destroyed my...
