Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. For thousands of years man has dwelt in ignorance of the true story of God. Spending his time fighting others with different beliefs, man has held himself back through oppression, enslaving himself as well to ancient dogma without knowing its true source. The Nonfiction Bible is the one absolute, unadulterated, true word of this same God. Witness the epic struggle of Jesus and Satan as they fight over whether disco or rock and roll will become the dominant musical force for mankind. See God destroy the world because of apple pie. Hear the tale of Jesus slaying a dragon and starting a small business. From the old testament to the new testament up to the modern day, this one work, apart from all others, is the sole and only spiritual truth in an otherwise blind world. And you can be sure this book came from divine inspiration, after all, the book says that it does!.
