Association for Supervision Curriculum Development, United States, 2014. Paperback. Book Condition: New. 193 x 124 mm. Language: English . Brand New Book. Do you want your students to take ownership of and become more independent during reading discussions? Are you looking to enhance your teaching of higher-order thinking and 21st century skills? Do you want to ensure that all students develop strong speaking and listening skills? In Student-Led Discussions, author Sandi Novak offers you the resources you need to develop meaningful student-led conversations about text and media across the content areas. In addition to providing a discussion framework that requires students to think deeply and communicate effectively, she includes advice for how to - Introduce and cultivate student-led discussions about literary and informational material at any grade. - Establish core instructional elements that students need to engage in rich discussions about content. - Recognize and evaluate effective student-led discussions. - Understand your role as the teacher when students are leading their own discussions. The skills that students acquire through discussions that they themselves facilitate-speaking and listening abilities, reading comprehension, and competency with text-based questions among them-align with established state and national standards and are necessary for all students to succeed in school and life.
