Thankyou for taking the time to look at my book. Are you fed up with paying so much for mushrooms at the store? There has to be a cheaper way to get them, right? Well, there is - you can simply grow your own! Mycology (growing mushrooms) can be as easy or complicated as you like, depending on the route you take, but the end results are most certainly worth the effort involved. The great thing about growing your own mushrooms, is that you can do it right inside your own home or backyard. It's a great project for families and foodies alike, and all you need to start off is this book, a specialist mushroom growing kit, and a small space in which to grow them! In this book I aim to teach you the basics that you need to know to grow mushrooms at home. You'll take a step back in time and learn about the history of mushrooms as food, and why it has taken centuries for home mushroom growing to really catch on. I'll let you know exactly which are the best types of mushrooms for you to start with. If you aren't sure what tools you'll...
