Brand New Book ***** Print on Demand *****.Excerpt from The Statutes and Orders of the Court of Chancery and the Statute Law of Real Property of the State of New York: Recently Revised and Amended, With a Brief Account of the Equity Jurisdictions and Law of Real, Property and Registration in the United States, North America The laudable efforts of the British legislature and of the legal profession, for the advancement of the science of jurisprudence and the amendment of the municipal law, will be promoted by the publication of information and the results of practical experience relating to legal reform in other nations. It is much to be regretted, perhaps not too late, that the Royal Commissions appointed for inquiring into the law of England respecting Real Property, and into the practice and proceedings of the superior courts of Common Law, which have been conducted with so much credit and advantage, should not have empowered the Commissioners to depute competent Sub-commissioners to investigate and report on the laws of other countries, especially those of Europe and North America. The appropriation of a fractional portion of the public money to an object so important, might be well afforded in the national expenditure. France, Russia, Germany, and the Netherlands, have long enjoyed the benefits of many important practical improvements in civil and criminal jurisprudence.
