Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Emerging Remnants encapsulates what I see as the current emphasis of God to His Church in these ultimate days of mortal existence. This current divine mind has taken a while to crystallize into our spiritual clime, as is usual with the processes of truth. Assessment of true life should be from unseen values. We are on a journey in and to God, from the day we embraced the grace of God in Christ. This journey has a destination: it is not endless. As we approach the end, process has to become more precise, exact and adjusted properly by the destination. Options are less tolerated - the trajectory of my personal life, ministry initiatives and activities, leadership structure, etc., must all become more exact and more correct. This little book in your hand can make your entire life (priority, pursuit, emphasis) more precise, exact and accurately adjusted to line up with our destination. The bride...
