## KNOW THE MYSTERY (PAPERBACK)

Sunstone Press, United States, 2008. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Can you imagine wanting your true self? More than anything else? Do you think you have the right and the capacity to grow and change? And how would you go about making your life authentic, anyway? Do you have enough time alone to give yourself the attention you want--and need? Is there a great Absence within you? Can you imagine filling that emptiness with your true and original self--and your life's purpose? Could you possibly discover them for yourself? And can you believe that finding and knowing your Self is a deeply spiritual experience--possibly the best one you'll ever have? Do you feel that you are just performing and are not real? Are you so outgoing that you can't seem to find your self inside yourself? Are you giving to others what you need for yourself? And are you overvaluing them (whoever they are) so much that you can't realize your own self or your value? And are you, essentially, alienated from those for whom you put out so much? What's so good about depression? Can you believe that everything you need is within you and that what you bring forth in the conversation with yourself is your best self help? And how can aging be about getting smarter and better, not just older and wearier? If you're a mother--a woman in this case--do you feel you have to choose between being idealized or demonized? And if you're a mother, can you admit that the role isn't working for you? Can you imagine changing the whole scene and can you believe that you have the right to give...
