They had a short last prayer. It was in so many languages, and represented so many religions, but had the same meaning. They then together pressed one symbolic button; and hell brook lose. The most fearsome fire display in history started. In a few hours everything on central Asia disappeared and hollow crater was expanding and cutting through the Earth s crust. The explosions reached the centre of the Earth where the liquid lava. The lava exploded of the gigantic gap; to hundreds of miles in space. The planet shifted of its axel. Toxic gases, super fast winds, and radioactive dust covered the planet. Every living thing on Earth perished. Most water bodies vibrated, and the very little that remained got too polluted with toxic materials and killed its creatures.
