Taylor Francis Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is an analytic and historical portrait of the volatile decades at the beginning of the 20th century. Engaging with avant-garde art and thought, and concentrating on two of the most controversial and still culturally relevant personalities of Viennese modernism - Sigmund Freud and Arnold Schoenberg - it tells the story of a cultural experiment of unprecedented proportions, an experiment that attempted to redesign the senses and the concept of individual identity. The book describes the shape of this identity through its mutually overlapping artistic and intellectual dimensions, as it explores the relationship between psychoanalysis and music.
