For it is a fact that people in general take little account of old books - save, perhaps, for their convertibility into waste-paper. Nor is this little failing at all to be wondered at; as our greatest poet has said, The world is still deceived with ornament; and old books have, as a rule, little that is attractive about them externally; their covers are usually dull and forbidding; their backs are apt to be broken; they have a way of being short of the final pages; they are printed in crabbed and obscure characters; the foot-notes are often strangely hieroglyphical; - they have, in short, all that air of fustiness and old fogeyism that comes alike, with age, to books and men.
