### ***Reviews***

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Even the best-laid plans often don't go according to schedule, and in Joanna Carroll's case, it was her marriage. In *Next Course, Please!*, Carroll shares the inspirational story of how she found love after divorce while providing a humorous comparison of the men highlighted in her anecdotes to burned French toast, Irish stew, creme Brule, and Jell-O—just to name a few. Carroll spent a great deal of time reflecting on her own path and how she transformed from an unsure newlywed to the strong, independent woman she is today. While sharing inspirational quotes and common sense suggestions on how to find love despite the constraints of motherhood and work, Carroll details how her road to finding love after divorce was like a meal plan—each course bringing her to the next—until she found the icing on the cake. Carroll mentors others on how to savor each course in a relationship and unearth the kind of ingredients that will lead to the right mate. With self-deprecating wit, *Next Course, Please!* illustrates scrumptious stories that will help others come to terms with a failed relationship, find the hope and determination to overcome life's obstacles, and discover true happiness.
