It s a good thing that Helena is wearing her fireproof boots because The Nymph s Oath is back and things are about to heat up quickly. Zeus of course, has put the special fire nymph on an important assignment. And when she meets her partners, she swears her body feels like it s engulfed in flames. James and Nicholas, the Sabertooth tiger shifters, or as most people know them as the famous tag team wrestling champions, prepare for their last fight in the ring. What little they do know is that not only will they finally meet their mate. The men will soon find themselves fighting in their biggest battle with the life of their mate as well as their own at stake. And then there is Hades. The magnificent God of the Underworld, Lord of the dead, and ruler of all that evil. The God not only stands up to the plate and fights, but he too will find himself right in the middle of The Nymph s Oath. And there is nothing he can do about it. Hera is up to her tricks all over again, but who will she have in mind to free from The Prison of the Damned this time? This Novella is Book Three from The Nymph s Oath series. Warning: It contains adult content, hot sex and mild BDSM themes so only check it out if you are ready to get very, very hot.
