Random House USA Inc, United States, 2007. Paperback. Book Condition: New. Reprint. 201 x 132 mm. Language: English . Brand New Book. With three straight #1 bestsellers and more than 4 million copies of his books in print, the most powerful traditional force in the American media now takes off his gloves in the ongoing struggle for America s heart and soul. Bill O Reilly is the very embodiment of the idea of a Culture Warrior--and in this book he lives up to the title brilliantly, with all the brashness and forthrightness at his command. He sees that America is in the midst of a fierce culture war between those who embrace traditional values and those who want to change America into a secular-progressive country. He also shows how the culture war has played out in such high-profile instances as The Passion of the Christ, Fahrenheit 9/11, the abuse epidemic (child and otherwise), and the embattled place of religion in public life--with special emphasis on the war against Christmas. Whatever controversies are roiling the nation, he fearlessly confronts them--and no one will be in the dark about which side he s on. Culture Warrior showcases Bill O Reilly...
